

## "I'll Be Home"

401

Santa called to make sure I'm prepared  
He said "Winter love is spreading everywhere"

Summer came and took off with the spring

So now we start the Christmas Caroling

I'll find my way back home

And light up every tree

We will hang our stockings for you

And one for me

Cause Santa called to make sure I'm prepared

He said "Pack your bags and tell them You'll be  
there"

I'll be home with my love this Christmas

I promise, I promise

I'll be home with my love this Christmas

I promise, I promise I'll be home

Home, I'll be home

Santa called to make sure I'm prepared  
He said "Wrap the gifts with all your love and  
care"

The wind blows the snow up in the sky

But I won't let the wind delay my flight

I'll be home with my love this Christmas

I promise, I promise

I'll be home with my love this Christmas

I promise, I promise I'll be home

I'll be home, I'll be home

I promise, I promise

I'll be home, I'll be home

Santa called to make sure I'm prepared

He said "Pack your bags and tell him you'll be  
there"

I'll be home with my love this Christmas

I promise, I promise

I'll be home with my love this Christmas

I promise, I promise I'll be home

I'll be home, I'll be home

I'll be home with my love this Christmas

I promise, I promise

I'll be home
