Eh...

Should auld acquaintance be forgot,

And never brought to mind?

Happy New Year, baby

Should auld acquaintance be forgot,

And auld lang syne!

Should auld acquaintance be forgot,

And never brought to mind?

For auld lang syne, my dear,

For auld lang syne.

Should auld acquaintance be forgot,

And auld lang syne!

We'll take a cup o' kindness yet,

For auld lang syne.

Happy New Year, baby
